Forecast For East of England
Issued by Met Office Exeter
at 1600 on Friday 23 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Hazy sunshine for many on Saturday, heavy rain for some.

This Evening and Tonight:
Low cloud will drift back inland overnight, becoming widespread by the morning. Otherwise, dry with some clear spells in the south and west. Another warm night for many. Minimum temperature 14 deg C (57 deg F).

Saturday:
Early low cloud burning back to the coast, leaving a fine morning, with warm sunny spells. Rain, heavy and perhaps thundery, expected in the southwest early afternoon. Feeling humid. Maximum temperature 22 deg C (72 deg F).

Outlook for Sunday to Tuesday:
Becoming more changeable with showers, locally heavy and perhaps thundery on Sunday and Tuesday. Perhaps breezy around coasts Tuesday. Feeling cooler compared to recent days, with temperatures back to average.
